

Ezekiel Smith *Full Stack Developer*

Oakton, VA, 22124 | ezesmith107@gmail.com | [Github](#) | [LinkedIn](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Passionate and curious developer that likes to investigate the unknown and exceed project expectations. Completed Devmountain coding bootcamp two weeks ahead of schedule while delving into content outside of the base curriculum. Loves to cook up projects with a tough problem to solve, a dollop of new technology, and a sprinkle of pop culture references.

EDUCATION

Devmountain | Lehi, UT

Graduated September 2022

- Java Development Program

Liberty University | Lynchburg, VA

Graduated May 2020

- Public Health Major (Honors) - Mandarin Chinese Minor

SKILLS

Javascript | NodeJs | Express | PostgreSQL | CSS3 | Tailwind CSS | SASS | Git | Github | Postman | pgAdmin | HTML5 | axios | Java | Spring | Spring Boot | Hibernate | React

PROFESSIONAL EXPERIENCE

Devmountain | Lehi, UT

June 2022 - Current

Software Engineer

“Total Guide” - [Github Repo](#) | [Demo](#) |

Java | Spring | Spring Boot | Hibernate | CSS3 | React |

- Programmed a “Total War” website using React and Spring Boot to eliminate barriers to entry and increase player count
- Systematically adhered to a DAO design pattern to separate logic and protect sensitive classes
- Individually designed and created media material and writing content for website cohesion
- Utilized Hibernate to help simplify object-relational mapping within the project

“Defend the Dojo” - [Github Repo](#) | [Demo](#) | [Live Site](#)

JavaScript | NodeJS | Express | PostgreSQL | CSS3 | HTML5 |

- Developed a 2D Tower Defense game using Javascript and Node to explore holistic game development
- Implemented an audio panel while manipulating game animations to provide pause and music functionality
- Prioritized Object Oriented Programming to allow for easy implementation of new enemy classes
- Incorporated a leaderboard using PostgreSQL to encourage replayability

Liberty University | Lynchburg, VA

September 2021 - March 2022

Academic Evaluator

- Provided individualized advising and academic assistance to more than 1500 residential and online college students
- Managed and organized large amounts of data using Microsoft Excel to track student academic progress
- Responsibly oversaw sensitive information and used best practices to protect student privacy and confidentiality
- Processed student applications using Banner software for increased accuracy and quality assurance

Harbin Wanbang School | Harbin, China

August 2020 - July 2021
